LEVO combi

The Mid-Wheel power wheelchair with stand-up function and complete seating systems

LEVO stands for a better quality of life
This is LEVO: The touch of a switch elevates you to a safe, comfortable standing position to interact with your active life. At work, in school or at home, LEVO standing wheelchairs, offer exactly what you need: Independence, Mobility, Support, Health and Quality. Each wheelchair is designed from the experience of more than 40 years of research, development and client response. LEVO is proud to offer wheelchairs that combine seating and standing positions matched to your unique biomechanical dynamics with superior maneuverability, size, weight, aesthetics and adjustability. All models are reviewed and certified by internationally approved testing institutes.
LEVO combi / combi jr

Enjoy the environment: one wheelchair everywhere, everyday

You need power mobility but you want a customized chair that fits into your everyday life and environment. Welcome to the LEVO combi mid-wheel power base: a design that maximizes maneuverability, turning radius and overall traction for life’s ups and downs. The seating system on the power base is the best combination of seated, stand and recline offered in the industry. You can even transition directly from full recline to full standing – smoothly, securely and stop anywhere in between. In any position you can engage the world with power mobility – move, turn, reverse – all while in any of the multiple and customized seating positions that you choose for your chair. The LEVO combi easily maneuvers within your home, your work, indoors, outdoors, all while ensuring stability, safety, multiple seating and standing positions to enhance and extend quality of life.

Seating/Standing
- Precisely engineered chair design for exceptionally smooth and low shear transition between all standing and seating functions
- Standing, seat- and back angle adjustment, seat lift, tilt, recline
- Customized match to individual body mechanics and chair design
- Numerous health benefits because of more frequent standing

simply attend to...
The powered LEVO combi jr means secure and active support for your child. The extremely agile power wheelchair optimizes participation into all of your child’s opportunities and activities. School – Home – Play. Like the adult version, the LEVO combi jr has multiple power seating systems including the LEVO-designed and industry leading standing capability. (Your child can drive the LEVO combi jr even while in the standing position.) Easy adjustable growth plates, components and a wide range of accessories and options let the LEVO combi jr smoothly grow with your child for many years.
LEVO Stands for a better quality of life
